SIR:

Responsive to the Notice to File Corrected Application Papers dated June 28, 2007,
Applicant submits corrected drawings as required by 37 C.F.R. 1.84.

App. Docket No. KOV-015
Application No: 10/722,255

Corrections to the Figures

As requested by the Examiner, color drawings are not elected in the above-identified application. Therefore, all of the Figures previously submitted in color format (FIGS. 1A-1F, 2A-2D, 3A-3B, 4A-4B, 5A-5E, 6A-6B, 7A-7B, 8A-8C, and 10) are presently submitted in black and white format. The specific corrections are as follows:

- Figures 1A-1C have been reprinted in grayscale format,
- Figures 1A-1F have been reprinted in grayscale format, and diagonal hatching has been added to feature 24 in Figures 1D-1F to distinguish it from other features,
- Figures 2A-2D have been reprinted in grayscale format, and the vertical hatching of feature 42 that was present in the original drawings has been removed in Figures 2B-2C for visual clarity,
- Figures 3A-3B have been reprinted in grayscale format,
- Figures 4A-4B have been reprinted in grayscale format,
- Figures 5A-5E have been reprinted in grayscale format,
- Figures 6A-6B have been reprinted in grayscale format,
- Figures 7A-7B have been reprinted in grayscale format,
- Figures 8A-8B have been reprinted in grayscale format, and
- Figure 10 has been reprinted in grayscale format.

Therefore, no new matter or new issues requiring search or further consideration are introduced by the present Amendment. Eleven Replacement Sheets (as required by 37 C.F.R. 1.121(d)) are attached to this Amendment.
